Flow of Registration

Conference Website: <https://www.gtuicon.gtu.ac.in/Default>

- 1.) Those who want to only attend the Conference, can register themselves using Delegate Registration link: <https://www.gtuicon.gtu.ac.in/Pharmacy/DelegateRegistration>
- 2.) Those who want to present their work in form of oral or poster presentation, can register themselves using Author Registration link: <https://www.gtuicon.gtu.ac.in/Pharmacy/Authorregistration>:
 - i) After the successful Author Registration, an Author ID will be generated. This author ID needs to be also generated for all other co-authors mentioned in the poster /oral presentation.
 - ii) Upon author registration, presenting author should submit the paper title using Paper Registration <https://www.gtuicon.gtu.ac.in/Pharmacy/Titleregistration>. (You need to obtain author ID of all the authors before you submit the paper title). You will get the Paper ID and Login credentials for further process after the successful paper registration in your registered e-mail ID.
 - iii) Using Author Login <https://www.gtuicon.gtu.ac.in/Pharmacy/LoginPage> Author/s have to upload the abstract in given format by using Login Credentials received in e-mail.
 - iv) Once submitted, Scientific Committee will review the abstract uploaded by you. If your abstract is found suitable with the theme of conference, you will receive the intimation for poster presentation/oral presentation based on the recommendations. Few Selected abstract will be invited for full paper submission.
 - v) For full paper submission, review Committee will blind review the Full Paper and revert back with comments if any, on registered e-mail, all further communication with respect to full paper will be done using the registered email ID only.
