GRADUATE SCHOOL OF PHARMACY

Report of

Training on Sophisticated Analytical Instrument Handling Season-1

conducted from 02-07-2021 to 04-07-2021

GSP conducted a three-day sophisticated analytical instrument handling programme, which attracted an overwhelming response of 200 entries in just one day. The 26 participants are chosen from various colleges and comprise B.Pharm and M.Pharm students as well as faculty. Dr. Kashyap Thummar, Assistant Professor at GSP, coordinated the training programme. The faculties of GSP have provided the expert training to the analytical instruments. The participants got the training on UV/Vis Spectrophotometry, FT-IR Spectroscopy, HPLC, HPTLC, Particle Size Analyzer, Spray dryer, Dissolution tester with autosampler and LC-MS/MS. Guest of Honour Dr. Shrenik Shah, Director, Montage Laboratory & Sr. Vice Chairman, IDMA, GSB. And Chief Guest Mr. Viranchi Shah, Director, Saga Laboratories & Sr. Vice President, IDMA, Central body attended the Inauguration function. Dr. Sanjay Chauhan, Director-GSP, gave a welcome address, while Dr. K. N. Kher, Registrar, GTU, gave motivational remarks to participants.
