Objective of the Workshop:

This expert session was organized as part of the 5-Year Celebration of National Education Policy (NEP) 2020, as per the directive from GTU (Ref.: GTU/NEP 2020/5 Year Celebration/2025/56 SO dated 16/07/2025). The session was conducted to emphasize entrepreneurship and Indian cultural integration, reflecting the transformative objectives of NEP 2020.

Activity Details:

- Prof. Dwivedi highlighted the vital role of entrepreneurial thinking among youth and how NEP 2020 is fostering a culture of innovation and self-reliance.

- A unique perspective was shared on how Indian culture and values can be naturally aligned with entrepreneurship.
- Marriage systems, festivals, family functions, joint family structures, and Vastu Shastra were cited as culturally rich opportunities for entrepreneurial ventures.
- He emphasized how these traditional practices are deeply linked with economic activity, service innovation, and social entrepreneurship.
- Students gained insight into ethical business practices, community-based entrepreneurship, and the holistic education vision of NEP 2020.
- Enhanced understanding of how Indian heritage and modern entrepreneurial strategies can complement each other.
- Students felt encouraged to explore startup ideas based on culture, tradition, and innovation.
