Brief Summary of the event :

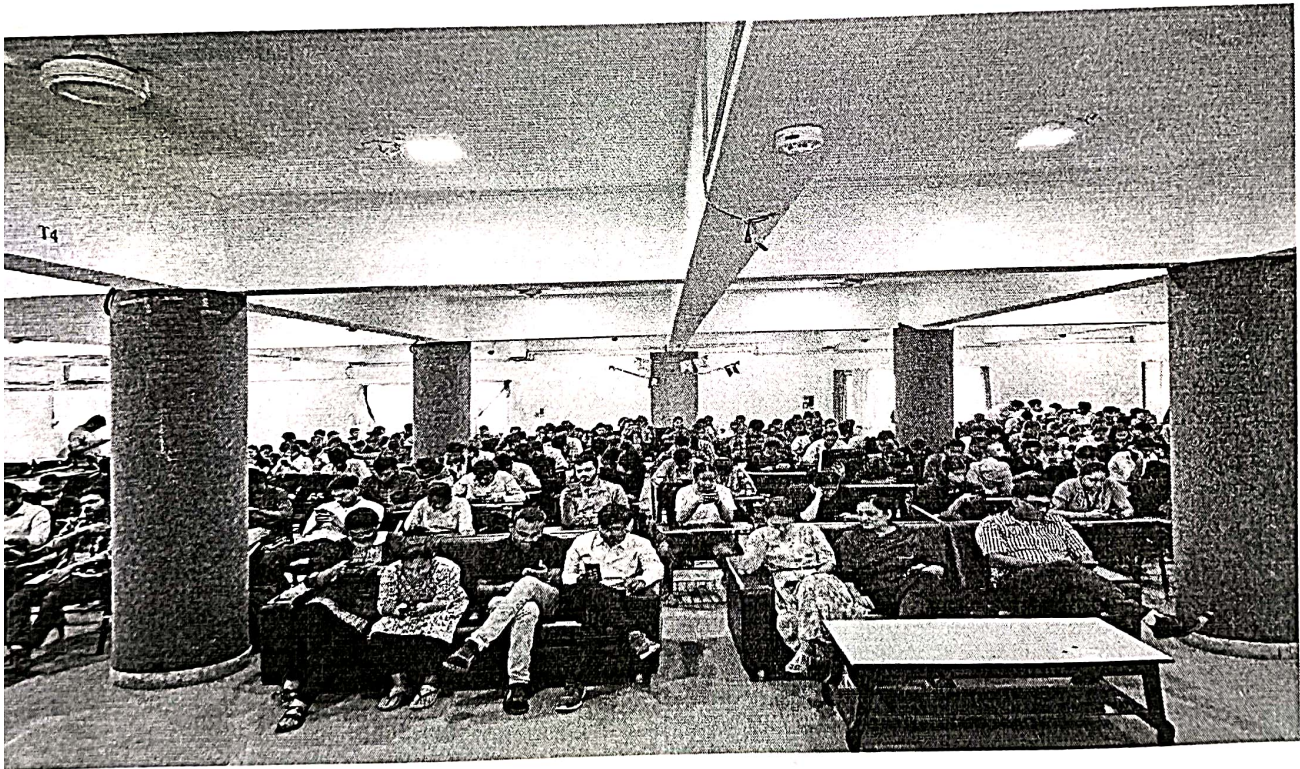

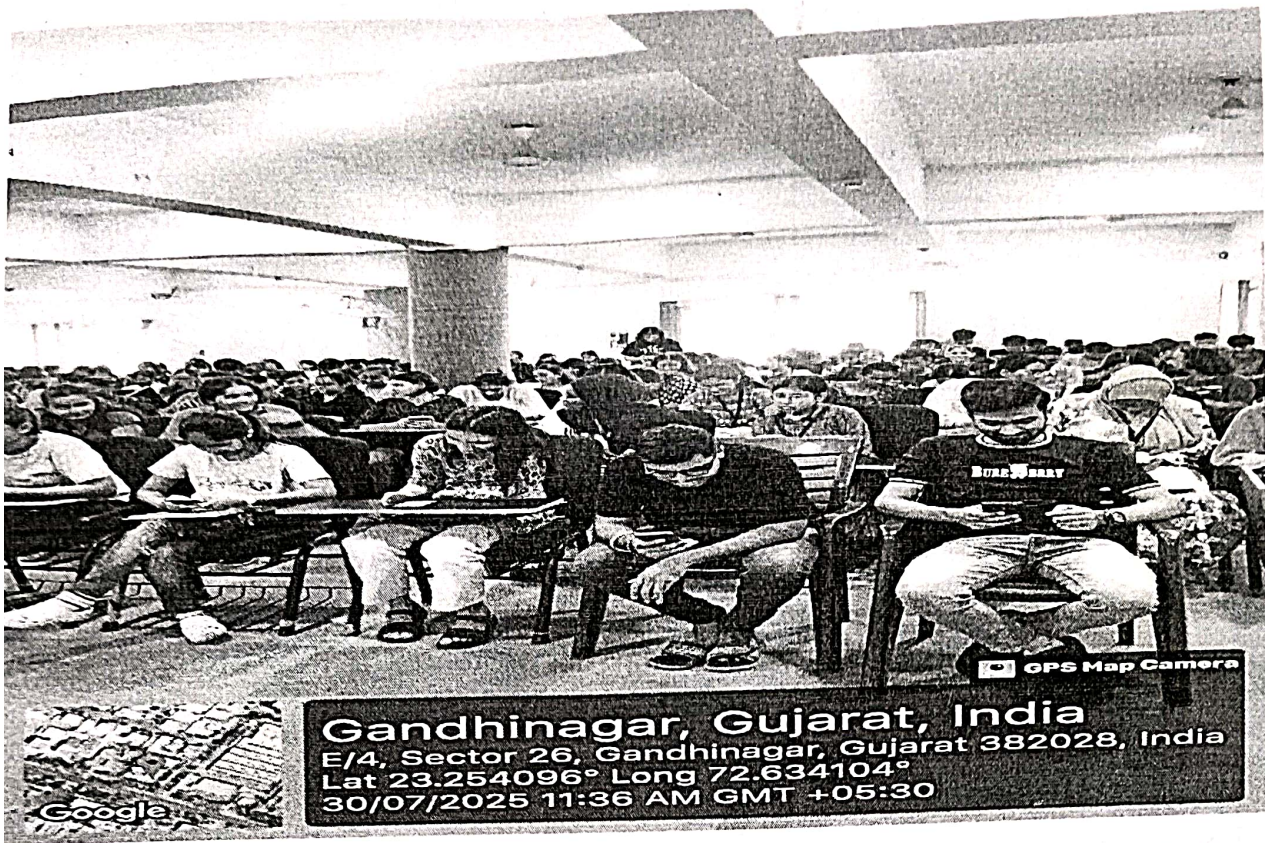

GTU School of Pharmacy, Library club organized a “Quiz Competition based on the theme of NEP 2020 (focused only on Higher Education)” On dated 30/07/2025. The event was successfully held under the valuable guidance of Dr. Sanjay Sir. The event received a response, with a total no. of 214 participants from multiple disciplines from Pharmacy, Engineering, and School of Applied Science & Technology (SAST) departments.

The primary goal of this quiz was “to raise awareness and understanding among students regarding the significant transformations envisioned in NEP 2020 for the Higher Education sector in India”.

The competition not only tested the participants’ knowledge but also discussions about NEP 2020’s impact on academic structure, multidisciplinary education, research, in higher education.

"E-certificates were awarded to all the participants upon successful completion of the event."
